Contract Growing Roadmap

A generic example

Natural Habitats

Riverside has been a key supplier to the award-winning Natural Habitats over the last 6+ years. Supplying projects like the Christchurch Southern Motorway, which included 500,00 contract-grown plants.

The Plant People

We have been working alongside The Plant People for several years., The most recent large project we have been working on with them is Flock Hill Station, a luxury accommodation near Porters Pass with over 30,000 plants that have been planted so far.

Terra Creations

Terra Creations is a landscaping company based in Wanaka, that has been using Riverside as a key supplier because of our excellent plant quality and honest communication.
